SOUTH MEADOWS  
MEDICAL CENTER

**Renown**<sup>®</sup>  
SOUTH MEADOWS  
MEDICAL CENTER

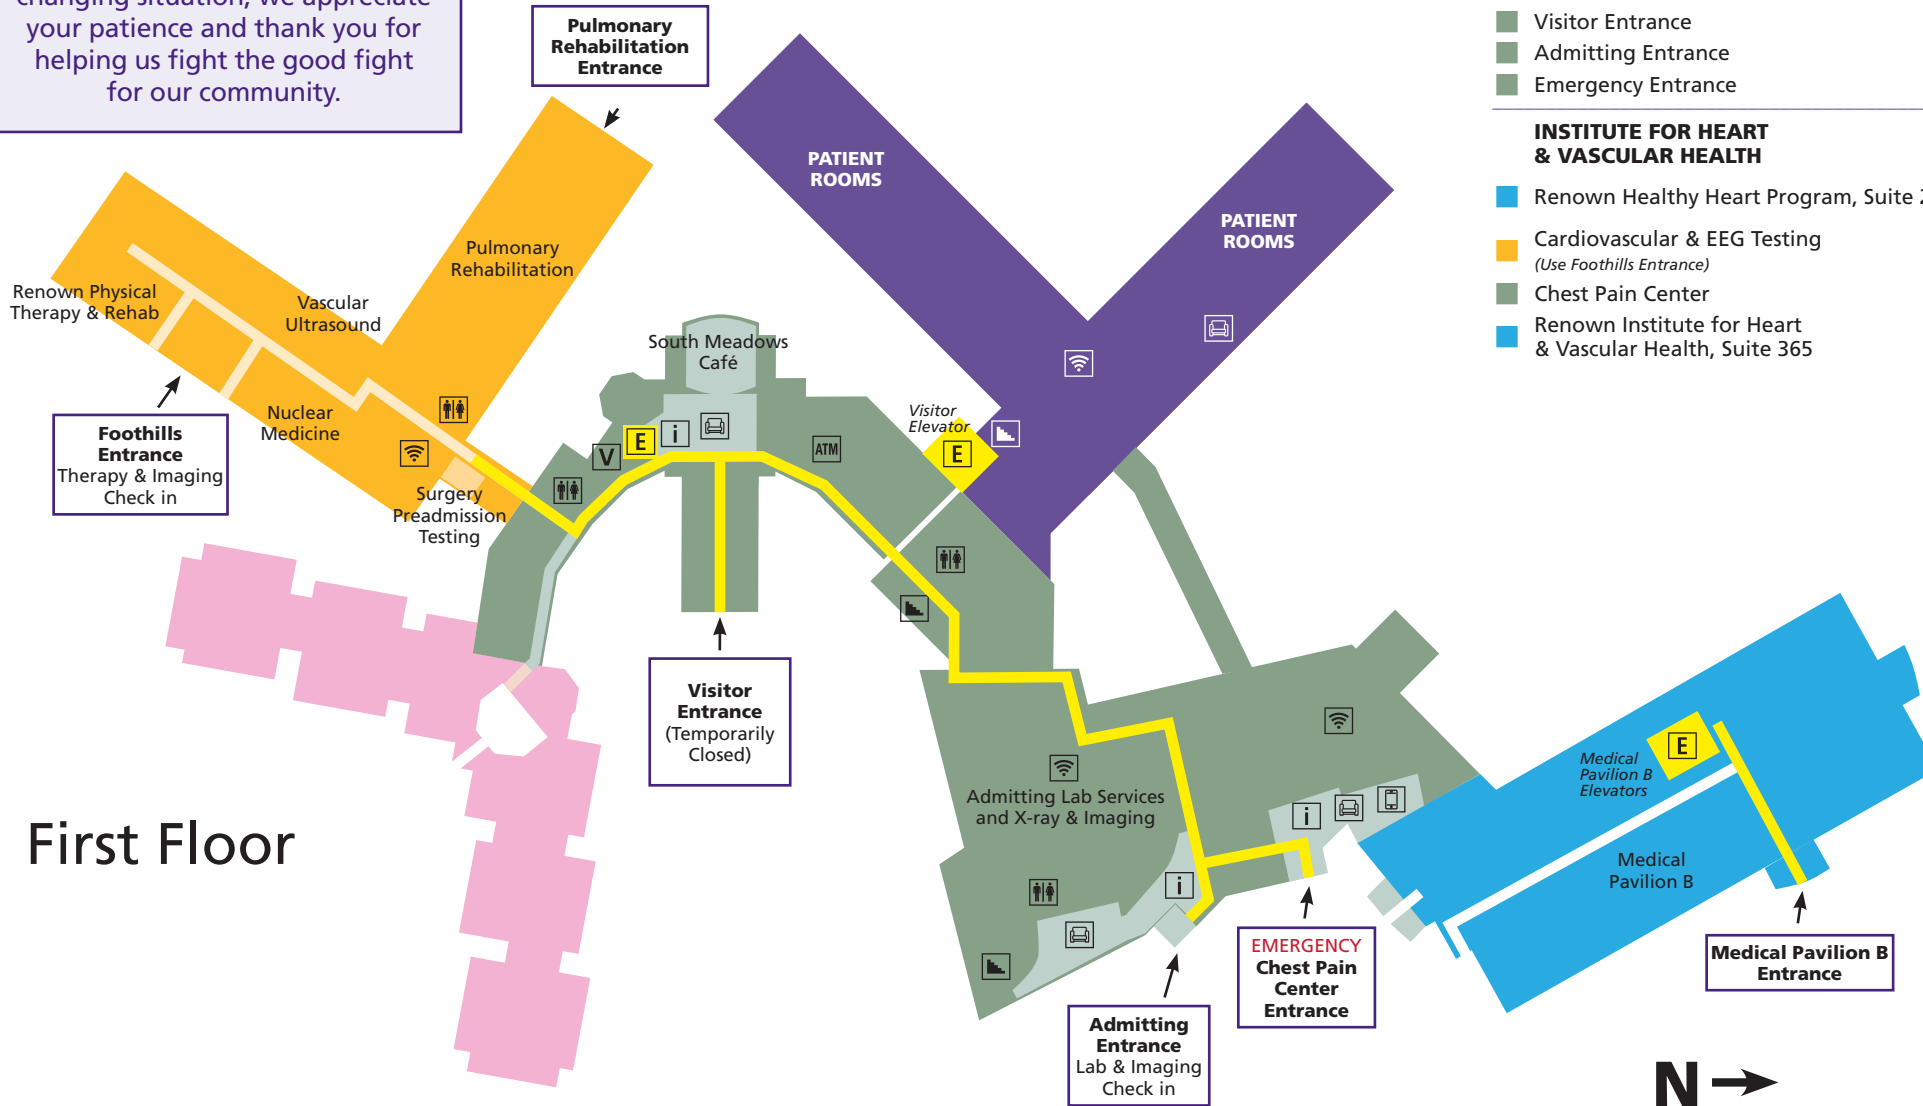

**Due to the COVID-19 pandemic,** we are ensuring the safety of patients, visitors, staff and our community by following best practices and restricting certain entrances, performing screening at open entrances and asking that everyone entering wears a face mask (neck gaiters and bandanas are not considered adequate protection), among other protections. Given the ever-changing situation, we appreciate your patience and thank you for helping us fight the good fight for our community.
